TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

“License” shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

“Licensor” shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

“Legal Entity” shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, “control” means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

“You” (or “Your”) shall mean an individual or Legal Entity exercising permissions granted by this License.

“Source” form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

“Object” form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

“Work” shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

“Derivative Works” shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

“Contribution” shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, “submitted” means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as “Not a Contribution.”

“Contributor” shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

You must give any other recipients of the Work or Derivative Works a copy of this License; and

You must cause any modified files to carry prominent notices stating that You changed the files; and

You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

If the Work includes a “NOTICE” text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an “AS IS” BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or

malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability

Creative Commons Master Terms of Use

1. General Information Regarding These Terms of Use

Master terms: Welcome, and thank you for your interest in Creative Commons (“Creative Commons,” “CC,” “we,” “our,” or “us”). Unless otherwise noted on a particular site or service, these master terms of use (“Master Terms”) apply to your use of all of the websites that Creative Commons Corporation operates. These include <https://creativecommons.org>, <https://wiki.creativecommons.org>, <https://network.creativecommons.org>, <https://search.creativecommons.org>, <https://labs.creativecommons.org>, <http://openpolicynetwork.org>, <http://open4us.org>, <https://rightsback.org>, <http://teamopen.cc>, and <http://thepowerofopen.org>, together with all other subdomains thereof, (collectively, the “Websites”). The Master Terms also apply to all products, information, and services provided through the Websites, including without limitation the license chooser, legal tools, the CCID service available at <https://login.creativecommons.org/login> (“CC Login Service”), and the CC Global Network community website (together with the Websites, the “Services”).

Creative Commons does not operate the website at <http://ccmixter.org>.

Additional terms: In addition to the Master Terms, your use of any Services may also be subject to specific terms applicable to a particular Service (“Additional Terms”). If there is any conflict between the Additional Terms and the Master Terms, then the Additional Terms apply in relation to the relevant Service.

Collectively, the Terms: The Master Terms, together with any Additional Terms, form a binding legal agreement between you and Creative Commons in relation to your use of the Services. Collectively, this legal agreement is referred to below as the “Terms.”

Human-readable summary of Sec 1: These terms, together with any special terms for particular websites, create a contract between you and Creative Commons. The contract governs your use of all websites operated by Creative Commons, unless a particular website indicates otherwise. These human-readable summaries of each section are not part of the contract, but are intended to help you understand its terms.

2. Your Agreement to the Terms

BY CLICKING “I ACCEPT” OR OTHERWISE ACCESSING OR USING ANY OF THE SERVICES (INCLUDING THE LICENSES, PUBLIC DOMAIN TOOLS, AND CHOOSERS), YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND AGREED TO BE BOUND BY THE TERMS. By clicking “I ACCEPT” or otherwise accessing or using any Services you also represent that you have the legal authority to accept the Terms on behalf of

yourself and any party you represent in connection with your use of any Services. If you do not agree to the Terms, you are not authorized to use any Services. If you are an individual who is entering into these Terms on behalf of an entity, you represent and warrant that you have the power to bind that entity, and you hereby agree on that entity's behalf to be bound by these Terms, with the terms "you," and "your" applying to you, that entity, and other users accessing the Services on behalf of that entity.

3. Changes to the Terms

From time to time, Creative Commons may change, remove, or add to the Terms, and reserves the right to do so in its discretion. In that case, we will post updated Terms and indicate the date of revision. If we feel the modifications are material, we will make reasonable efforts to post a prominent notice on the relevant Website(s) and notify those of you with a current CC Login Service account via email. All new and/or revised Terms take effect immediately and apply to your use of the Services from that date on, except that material changes will take effect 30 days after the change is made and identified as material. Your continued use of any Services after new and/or revised Terms are effective indicates that you have read, understood, and agreed to those Terms.

4. No Legal Advice

Creative Commons is not a law firm, does not provide legal advice, and is not a substitute for a law firm. Sending us an email or using any of the Services, including the licenses, public domain tools, and choosers, does not constitute legal advice or create an attorney-client relationship.

5. Content Available through the Services

Provided as-is: You acknowledge that Creative Commons does not make any representations or warranties about the material, data, and information, such as data files, text, computer software, code, music, audio files or other sounds, photographs, videos, or other images (collectively, the "Content") which you may have access to as part of, or through your use of, the Services. Under no circumstances is Creative Commons liable in any way for any Content, including, but not limited to: any infringing Content, any errors or omissions in Content, or for any loss or damage of any kind incurred as a result of the use of any Content posted, transmitted, linked from, or otherwise accessible through or made available via the Services. You understand that by using the Services, you may be exposed to Content that is offensive, indecent, or objectionable.

You agree that you are solely responsible for your reuse of Content made available through the Services, including providing proper attribution. You should review the terms of the applicable license before you use the Content so that you know what you can and cannot do.

Licensing: CC-Owned Content: Other than the text of Creative Commons licenses, CC0, and other legal tools and the text of the deeds for all legal tools (all of which are made available under the CC0 Public Domain Dedication), Creative Commons trademarks (subject to the Trademark Policy), and the software code, all Content on the Websites is licensed under the Creative Commons Attribution 4.0 license, unless otherwise marked. See the CC Policies page for more information.

CC-Owned Code: All of CC's software code is free software; please check our code repository for the specific license on software you want to reuse.

Search Tools: On some of its Websites, Creative Commons provides website search tools, including CC Search, which return Content based on any license information our search tools are able to locate and interpret. Those search tools may return Content that is not CC licensed, and you should independently verify the terms of the license attached to any Content you intend to use.

6. Content Supplied by You

Your responsibility: You represent, warrant, and agree that no Content posted or otherwise shared by you on or through any of the Services ("Your Content"), violates or infringes upon the rights of any third party, including copyright, trademark, privacy, publicity, or other personal or proprietary rights, breaches or conflicts with any obligation, such as a confidentiality obligation, or contains libelous, defamatory, or otherwise unlawful material.

Licensing Your Content: You retain any copyright that you may have in Your Content. You hereby agree that Your Content: (a) is hereby licensed under the Creative Commons Attribution 4.0 License and may be used under the terms of that license or any later version of a Creative Commons Attribution License, or (b) is in the public domain (such as Content that is not copyrightable or Content you make available under CC0), or © if not owned by you, (i) is available under a Creative Commons Attribution 4.0 License or (ii) is a media file that is available under any Creative Commons license or that you are authorized by law to post or share through any of the Services, such as under the fair use doctrine, and that is prominently marked as being subject to third party copyright. All of Your Content must be appropriately marked with licensing (or other permission status such as fair use) and attribution information.

Removal: Creative Commons may, but is not obligated to, review Your Content and may delete or remove Your Content (without notice) from any of the Services in its sole discretion. Removal of any of Your Content from the Services (by you or Creative Commons) does not impact any rights you granted in Your Content under the terms of a Creative Commons license.

Human-readable summary of Sec 6: We do not take any ownership of your content when you post it on our sites. If you post content you own, you agree it can be used under the terms of CC BY 4.0 or any future version of that license. If you do not own the content, then you should not post it unless it is in the public domain or licensed CC BY 4.0, except that you may also post pictures and videos if you are authorized to use them under law (e.g., fair use) or if they are available under any CC license. You must note that information on the file when you upload it. You are responsible for any content you upload to our sites.

7. Participating in the CCGN and Community: Registered Users

By registering for an account through any of the Services, including securing a CC Login Service account, or applying for membership to the CCGN, you represent and warrant that you are the age of majority in your jurisdiction (typically age 18). Services offered to registered users are provided subject to these Master Terms, the CC Privacy Policy, and any Additional Terms

specified on the relevant Website(s), all of which are hereby incorporated by reference into these Terms.

Registration: You agree to (a) only provide accurate and current information about yourself (though use of an alias or nickname in lieu of your legal name is encouraged in connection with the CC Login Service), (b) maintain the security of your passwords and identification, © promptly update the email address listed in connection with your account to keep it accurate so that we can contact you, and (d) be fully responsible for all uses of your account. You must not set up an account on behalf of another individual or entity unless you are authorized to do so.

No Membership in CC: Creating a CC Login Service account or using any of the related Websites or Services, including becoming a member of the CCGN, does not and shall not be deemed to make you a member, shareholder or affiliate of Creative Commons for any purposes whatsoever, nor shall you have any of the rights of statutory members as defined in Sections 2(3) and 3 of Chapter 180 of the General Laws of Massachusetts or any other law.

Termination: Creative Commons reserves the right to modify or discontinue your account or your membership in the CCGN at any time for any reason or no reason at all.

8. Prohibited Conduct

You agree not to engage in any of the following activities:

1. Violating laws and rights:

You may not (a) use any Service for any illegal purpose or in violation of any local, state, national, or international laws, (b) violate or encourage others to violate any right of or obligation to a third party, including by infringing, misappropriating, or violating intellectual property, confidentiality, or privacy rights.

2. Solicitation:

You may not use the Services or any information provided through the Services for the transmission of advertising or promotional materials, including junk mail, spam, chain letters, pyramid schemes, or any other form of unsolicited or unwelcome solicitation.

3. Disruption:

You may not use the Services in any manner that could disable, overburden, damage, or impair the Services, or interfere with any other party's use and enjoyment of the Services; including by (a) uploading or otherwise disseminating any virus, adware, spyware, worm or other malicious code, or (b) interfering with or disrupting any network, equipment, or server connected to or used to provide any of the Services, or violating any regulation, policy, or procedure of any network, equipment, or server.

4. Harming others:

You may not post or transmit Content on or through the Services that is harmful, offensive, obscene, abusive, invasive of privacy, defamatory, hateful or otherwise discriminatory, false or misleading, or incites an illegal act;

You may not intimidate or harass another through the Services; and, you may not post or transmit any personally identifiable information about persons under 13 years of age on or through the Services.

5. Impersonation or unauthorized access:

You may not impersonate another person or entity, or misrepresent your affiliation with a person or entity when using the Services;

You may not use or attempt to use another's account or personal information without authorization; and

You may not attempt to gain unauthorized access to the Services, or the computer systems or networks connected to the Services, through hacking password mining or any other means.

6. Creative Commons Global Network ("CCGN")

By submitting your application to become a member of the CCGN at network.creativecommons.org, you acknowledge that you have read, understood, and, in the event you are accepted for membership, agree to be bound by the CCGN Charter, including the Code of Conduct and the policies referenced and incorporated therein. If you are admitted to the CCGN, these terms and the CCGN Charter shall govern your use of and participation in the CCGN, including your participation in any forum operated by the CCGN, such as platforms, chapters, and working groups. Note that your participation in such fora may also be governed by additional rules and guidelines for doing so. Please see CC's Privacy Policy for more information about how your information (as an applicant, member, and voucher) will be used.

7. DISCLAIMER OF WARRANTIES

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, CREATIVE COMMONS OFFERS THE SERVICES (INCLUDING ALL CONTENT AVAILABLE ON OR THROUGH THE SERVICES) AS-IS AND MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND CONCERNING THE SERVICES, EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING WITHOUT LIMITATION, WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. CREATIVE COMMONS DOES NOT WARRANT THAT THE FUNCTIONS OF THE SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, THAT CONTENT MADE AVAILABLE ON OR THROUGH THE SERVICES WILL BE ERROR-FREE, THAT DEFECTS WILL BE CORRECTED, OR THAT ANY SERVERS USED BY CC ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. CREATIVE COMMONS DOES NOT WARRANT OR MAKE ANY REPRESENTATION REGARDING USE OF THE CONTENT AVAILABLE THROUGH THE SERVICES IN TERMS OF ACCURACY, RELIABILITY, OR OTHERWISE.

Human-readable summary of Sec 10: CC does not make any guarantees about the sites, services, or content available on the sites.

8. LIMITATION OF LIABILITY

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL CREATIVE COMMONS BE LIABLE TO YOU ON ANY LEGAL THEORY FOR ANY INCIDENTAL, DIRECT, INDIRECT, PUNITIVE, ACTUAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR OTHER DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF REVENUE OR INCOME, LOST PROFITS, PAIN AND SUFFERING, EMOTIONAL DISTRESS, COST OF SUBSTITUTE GOODS OR SERVICES, OR SIMILAR DAMAGES SUFFERED OR INCURRED BY YOU OR ANY THIRD PARTY THAT ARISE IN CONNECTION WITH THE SERVICES (OR THE TERMINATION THEREOF FOR ANY REASON), EVEN IF CREATIVE COMMONS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, CREATIVE COMMONS IS NOT RESPONSIBLE OR LIABLE WHATSOEVER IN ANY MANNER FOR ANY CONTENT POSTED ON OR AVAILABLE THROUGH THE SERVICES (INCLUDING CLAIMS OF INFRINGEMENT RELATING TO THAT CONTENT), FOR YOUR USE OF THE SERVICES, OR FOR THE CONDUCT OF THIRD PARTIES ON OR THROUGH THE SERVICES.

Certain jurisdictions do not permit the exclusion of certain warranties or limitation of liability for incidental or consequential damages, which means that some of the above limitations may not apply to you. IN THESE JURISDICTIONS, THE FOREGOING EXCLUSIONS AND LIMITATIONS WILL BE ENFORCED TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW.

9. Indemnification

To the extent authorized by law, you agree to indemnify and hold harmless Creative Commons, its employees, officers, directors, affiliates, and agents from and against any and all claims, losses, expenses, damages, and costs, including reasonable attorneys' fees, resulting directly or indirectly from or arising out of (a) your violation of the Terms, (b) your use of any of the Services, and/or © the Content you make available on any of the Services.

10. Privacy Policy

Creative Commons is committed to responsibly handling the information and data we collect through our Services in compliance with our Privacy Policy, which is incorporated by reference into these Master Terms. Please review the Privacy Policy so you are aware of how we collect and use your personal information.

11. Trademark Policy

CC's name, logos, icons, and other trademarks may only be used in accordance with our Trademark Policy, which is incorporated by reference into these Master Terms. Please review the Trademark Policy so you understand how CC's trademarks may be used.

12. Copyright Complaints

Creative Commons respects copyright, and we prohibit users of the Services from submitting, uploading, posting, or otherwise transmitting any Content on the Services that violates another person's proprietary rights.

To report allegedly infringing Content hosted on a website owned or controlled by CC, send a Notice of Infringing Materials as set out in CC's Digital Millennium Copyright Act ("DMCA") Notice & Takedown Procedure.

Please note that Creative Commons does not host the Content made available through CC Search. You should contact the web site or service hosting the Content to have it removed.

13. Termination

By Creative Commons: Creative Commons may modify, suspend, or terminate the operation of, or access to, all or any portion of the Services at any time for any reason. Additionally, your individual access to, and use of, the Services may be terminated by Creative Commons at any time and for any reason.

By you: If you wish to terminate this agreement, you may immediately stop accessing or using the Services at any time.

Automatic upon breach: Your right to access and use the Services (including use of your CC Login Service account) automatically upon your breach of any of the Terms. For the avoidance of doubt, termination of the Terms does not require you to remove or delete any reference to previously-applied CC legal tools from your own Content.

Survival: The disclaimer of warranties, the limitation of liability, and the jurisdiction and applicable law provisions will survive any termination. The license grants applicable to Your Content are not impacted by the termination of the Terms and shall continue in effect subject to the terms of the applicable license. Your warranties and indemnification obligations will survive for one year after termination.

14. Miscellaneous Terms

Choice of law: The Terms are governed by and construed by the laws of the State of California in the United States, not including its choice of law rules.

Dispute resolution: The parties agree that any disputes between Creative Commons and you concerning these Terms, and/or any of the Services may only be brought in a federal or state court of competent jurisdiction sitting in the Northern District of California, and you hereby consent to the personal jurisdiction and venue of such court.

If you are an authorized agent of a government or intergovernmental entity using the Services in your official capacity, including an authorized agent of the federal, state, or local government in the United States, and you are legally restricted from accepting the controlling law, jurisdiction, or venue clauses above, then those clauses do not apply to you. For any such U.S. federal government entities, these Terms and any action related thereto will be governed by the laws of the United States of America (without reference to conflict of laws) and, in the absence of federal law and to the extent permitted under federal law, the laws of the State of California (excluding its choice of law rules).

No waiver: Either party's failure to insist on or enforce strict performance of any of the Terms will not be construed as a waiver of any provision or right.

Severability: If any part of the Terms is held to be invalid or unenforceable by any law or regulation or final determination of a competent court or tribunal, that provision will be deemed severable and will not affect the validity and enforceability of the remaining provisions.

No agency relationship: The parties agree that no joint venture, partnership, employment, or agency relationship exists between you and Creative Commons as a result of the Terms or from your use of any of the Services.

Integration: These Master Terms and any applicable Additional Terms constitute the entire agreement between you and Creative Commons relating to this subject matter and supersede any and all prior communications and/or agreements between you and Creative Commons relating to access and use of the Services.
